

## ***CWA LOCAL 2100 FOOD DRIVE***

*The Community Services Committee is asking our Members to help us collect Non-Perishable food items for families in the area. We will be coordinating with the Baltimore Council of the AFL-CIO to find UNION families that might be struggling in these tough economic times.*

*Boxes will placed in work locations for collection and will be picked-up on Friday November 13<sup>th</sup>. Please do what you can to help us fill these families pantries and make this time of year a little more enjoyable.*

*We are also collecting monetary donations and these can be mailed directly to the Union hall. If you have any questions or comments, please call the hall at 410-335-2100.*
