

## Bargaining with AT&T Begins March 6th

- We're fighting for the jobs of the future.
- We're fighting for fair wages.
- We're fighting for affordable health care.
- We're fighting for retirement security for current and future retirees.
- We're fighting for respect on the job.

AT&T is one of the most profitable companies in America. It's time they stop pleading poverty give their employees the Contract we deserve. We will all mobilize to demand what is right.

**Join the fight. Mobilize to protect our past and ensure our future.**
