FROM: Michael P. Davis, Vice President

DATE: December 22, 2025

SUBJECT: Verizon Bargaining

---

Our current collective bargaining agreements with Verizon expire on August 1, 2026. Verizon, CWA and IBEW have agreed to meet beginning in January for a limited period to explore the possibility of a contract extension.

CWA and IBEW remain focused on our members' priorities and will provide an update on the outcome of these discussions.
